# TEACHING METHODOLOGY AT MILESTONE

We don't believe in teaching the children by force instead they are directed to what amuses their mind, so that the genius in each child can be discovered.

We believe that every child is unique and has the right to achieve his/her potential. We create a purposeful learning environment with 'I CAN' mind set in which they are supported to overcome their weaknesses, encouraged to make the most of their strengths and individually nurtured so that they can flourish.

Following NEP, our methodology inspires a shift from rote learning and thus creates more space for critical thinking, discussions, and analysis. Teaching and learning is more interactive, exploratory, collaborative, and experiential since we follow differentiated instructions. Academics here not only make the educational background of the students strong, but also turn them into socially responsible citizens. We focus all domains of development be it mental, physical, value-based, social or of metacognition so that students can learn and grow holistically using different learning styles.

*Empowering Children with the 'I Can' Mindset*

A tribute to the great souls who dreamt of developing Great Leaders  
and we are making their dream come true.

## प्रबंध-निदेशक

“ उठो जागो और तब तक नहीं रुकना  
जब तक कि लक्ष्य हासिल न हो ” ..... स्वामी विवेकानन्द ।

आज हम एक ऐसे समाज में रहते हैं जो उससे बिल्कुल अलग है जिसमें हम पले - पड़े। यदि मैं शिक्षा के क्षेत्र की बात करूँ तो बाकि सभी क्षेत्रों की तरह शिक्षा के क्षेत्र में भी तेज़ी से बदलाव आ रहा है। ऐसे समय में शिक्षा का एकमात्र अंशय किताबी ज्ञान देना ही नहीं बल्कि बच्चों को आने वाले समय में चुनौतियों के लिए तैयार करना है, चाहे वो सामाजिक हो या परिवारिक और इसके लिए बच्चों को एक ऐसे पाठ्यक्रम की आवश्यकता है, जिसका लक्ष्य बच्चों के भीतर कौशल का विकास करने के साथ-साथ उनमें अपनी संस्कृति एवं राष्ट्र के प्रति भी प्रेम भाव उत्पन्न करना है।

हम 'द माईलस्टोन विद्यालय' में एक ही लक्ष्य को प्राप्त करने हेतु निरन्तर प्रयास में लगे हैं। माईलस्टोन मेरे लिए केवल एक विद्यालय नहीं अपितु एक कुटुम्ब है जिसकी शुरुआत 2010 में मात्र 25 बच्चों से हुई थी। आज कुटुम्ब में लगभग 1500 से अधिक विद्यार्थी व 150 से अधिक स्टाफ एवं 3000 से अधिक अभिभावक जुड़े हुए हैं और ये बताते हुए मुझे बड़ा गर्व महसूस हो रहा है कि आज हमारे विद्यालय के बच्चे पढ़ाई के साथ-साथ अन्य गतिविधियों में राष्ट्रीय स्तर पर सफलता हासिल कर रहे हैं।

मैं उन अभिभावकों का तह-ए-दिल से माईलस्टोन के प्रांगण में आने पर स्वागत करती हूँ जिन्होंने अपने बच्चों के लिए इसे चुना है। मैं आशा करती हूँ कि हम बच्चों में शिक्षा के साथ-साथ राष्ट्र प्रेम एवं एक जिम्मेवार नागरिक होने की भावना भर सकें और राष्ट्रनिर्माण में योगदान दे सकें। अन्त में मैं बस इतना ही कहूँगी।

“ अशिक्षित को शिक्षा दो,  
अज्ञानी को ज्ञान,  
शिक्षा से ही बन सकता है।  
भारत देश महान ”

## Welcome From the Principal's Desk

**" While educating the minds of our youth,  
we must not forget to educate their hearts."**

As the Principal of the school, I feel honoured and privileged to be the part of an educational institution where every stakeholder is a learner, and every day is an opportunity to learn and discover. The school is founded on the belief that children should be encouraged to dream and pursue them passionately. We work towards igniting their minds, help them identify their interest and aspiration in order to nourish their individual talents.

We believe that each one of our students has the potential to become a leader of tomorrow. Today The Milestone is more than a school, it is a movement that is transforming not just the sphere of education, but society at large. Our remarkable growth in a short span of time is proof that we are moving on the right track. We have team of dedicated teachers who are experts in their subject and cherish very high academic expectations from their pupils.

I Welcome all the parents of our students and especially whose association with the school has just begun. Your concerns will be graciously addressed by me. I look forward to working with you as we help create a school where parents are welcome at any time, students are engaged in meaningful learning and the staff members are valued and appreciated for their efforts. I am certain that you will find this school an excellent choice for your child.

**The woods are lovely, dark and deep.  
But I have promises to keep,  
and miles to go before I sleep,  
and miles to go before I sleep.....**
